MRS. LIZZIE PIRTLE FINLEY

Wife of Rev. J. F. G. Finley, Presiding Elder Arizona Diatrict.

In Memoriam.

Mrs. Lizzie Pirtle Finley, daughter of Doctor J. M. and Nannie Pirtle, was born in Clarksville, Tenn., January 9, 1860, and was reared in Little Rock, Ark.

She was married to Rev. J. F. G. Finley December 26, 1889, and died March 30, 1904.

We have thus stated the brief annals of a very beautiful, noble and useful Christian life—it is not claiming too much to say that Sister Finley was an almost ideal wife of a Methodist preacher—she felt divinely called to this work, and put her life into it, with wisdom and power. She was a most efficient helper of her husband in every department of the work in which true womanly ministrations were needed. She was especially efficient in her work with the young.

She was always at the front in the work of the women's societies of the church. She was true to every trust and faithful to every relation and without making extravagant profession, she was true, both in word and deed, to the Spirit of the Master.

A—REPORT OF THE BOARD OF MISSIONS.

We are glad to report progress in all the missions within the bounds of our Conference, and cheering reports come to us from all the mission fields that have been entered by our great Church.

We believe that our people should have all possible information concerning the pressing demands now made by the providential opening of fresh fields that must be entered, as well as the needs of the work already enterprised. We are sure that "Go Forward," our most excellent missionary paper, will furnish our people with this needed information, and we urge our pastors to try to put "Go Forward" into every Southern Methodist home in their several charges. We would also recommend that as far as practicable mission study classes be organized in the Epworth Leagues and missionary societies in the Sunday Schools.

That our brethren in our own Conference may be provided for properly, we recommend that the Domestic Mission assessment be raised and forwarded to the Conference Treasurer during the first quarter of the year.

Treasurer's Report.

The assessment for Foreign Missions for the past year was $1,015.00. This was apportioned as follows:

$740 to Los Angeles District.
$275 to Arizona District.

The Districts raised on this account as follows:

Los Angeles District	$ 775.45
Arizona District	239.55
A total of	$1015.00

The assessments levied on the charges, together with an amount raised from other sources, was $1,500.00, nearly double that of last year, and just three times that of two years ago; $1200 was apportioned to the districts as follows:

Los Angeles District	$ 880.00
Arizona District	320.00
Other Sources	300.00
Total	$1500.00

The amounts raised were as follows:

Los Angeles District	$ 906.25
Arizona District	309.50
Other Sources	300.00
Total	$1515.75

This makes the collection for Foreign and Domestic Missions in full for the Conference.

Apportionments.

The General Board has apportioned to our Conference for the ensuing year $1,116.00. This is accepted and apportioned as follows:

Los Angeles District	$846.00
Arizona District	270.00

Your Conference Board has assessed for Domestic Missions $1,100.00. This amount is divided between the two districts as follows:

Los Angeles District	$840.00
Arizona District	260.00

Appropriations.

For the ensuing year the following appropriations have been made:

Los Angeles District:	
Ranchito	$100.00
Carpenteria	200.00
Duarte	150.00
Lompoc	200.00
Arizona District:	
West End and Buckeye	200.00
Solomonville	200.00
Verde	100.00

M. B. SHARBROUGH, President.
GEO. S. CLARK.

B—JOINT BOARD OF FINANCE

As members of this Board appointed at this session, we have done our work under some difficulties, being unfa-

miliar with its details, no member having previously served on a similar Board.

The receipts from the various charges are $57.33 in excess of those of last year, but owing to the fact that there is an additional claimant on the funds of the Board, we are unable to apportion as large an amount to each as last year. Nothing from the Calvin bequest has reached us this year.

We again recommend a continuation of the five per cent law, to-wit: "That the assessments for Conference claimants on the various charges be an amount equal to 5 per cent of the assessments for pastoral support, and that the pastor and presiding elder be held personally responsible for five per cent of their receipts on this account."

We have received on this account this year the sum of $816.58. After due deliberation we have apportioned this sum as follows:

Mrs. W. L. Albright	$141.50
Mrs. L. L. Clayton	90.00
Mrs. S. M. Adams	90.00
T. L. Duke	100.00
Mrs. J. E. Miller	85.00
L. J. Hedgpeth	110.00
C. C. Wright	200.00
Expense	.08
Total	$816.58

We have been assessed $165.00 on Bishop's Fund, which we apportion as follows:

Los Angeles District	$130.00
Arizona District	35.00

On the assessment of last year we have received $163.10, which has been forwarded to Smith and Lamar, Nashville, Tenn.

On an assessment of $100.00 for expenses of delegates to the General Conference, the Los Angeles District last year raised $70.55 and this year $4.50, making the district $75.05—in full for this purpose. The Arizona District raised this year $19.45, leaving a balance of $5.50 still due, which we re-assess upon the Arizona District.

On an assessment of $65.00 for printing minutes we have raised $67.70.

We again assess on the Conference $65.00 for printing minutes, which is apportioned thus:

Los Angeles District $50.00
Arizona District 15.00

We also recommend the appointment of a Conference Teller, to whom shall be committed all the financial interests of the Conference, now in the hands of a great number of treasurers of various Boards.

RALPH H. FIELDS, President.
ULRICH KNOCH, Secretary and Treasurer.

REPORT OF THE BOARD OF CHURCH EXTENSION

We are gratified at the report of the Parent Board, which states that the church in this department has reached a higher mark than ever before. The total amount raised this year was $92,193.82, which is an increase of $14,550.50 over the preceding year. The Church has aided by donations and loans 515 churches to the amount of $113,500.00. From the same report, we note that there are now more societies without churches than last year, so we have a greater work yet to do.

Our Conference has raised this year for Church Extension $476.35, which was disbursed as follows:

To the Parent Board.....$238.18
To Talbert 125.00
Expenses 3.89
Balance in treasury 109.28

Our assessment for the ensuing year is $362.00, which is apportioned thus:

To the Los Angeles District.....$280.00
To the Arizona District..... 82.00

JOHN W. ALLEN, President.
WADE HAMILTON, Secretary.

REPORT OF SUNDAY SCHOOL BOARD.

The amount collected this year from Children's Day in the several charges is $94.60, 10 per cent of which will be forwarded to Smith and Lamar for the General Sunday School Board; and 10 per cent to Dr. J. D. Hammond for the Board of Education, which leaves a balance of $75.66

for our needy Sunday Schools. This has been appropriated as follows:

For Children's Day, programs for ensuing year	$12.66
For Tucson	15.00
For Azusa	8.00
For Mission school at San Bernardino	8.00
For San Diego	8.00
For Richland	8.00
For Bellevue	8.00
For Menifee	8.00

Your Board would recommend:

First—That every school observe Children's Day and take up the collection ordered by the discipline.

Second—That the plans endorsed by the General Conference of 1902, known as the Bible Teachers' Study Circle, receive our closest attention.

Third—That every Sunday School be organized into a missionary society, that our children may grow up with an intelligent appreciation of the subject of missions.

R. P. HOWELL,
C. H. GOVETTE,
W. P. BROWN.

REPORT OF THE EPWORTH LEAGUE BOARD.

The League is becoming more and more an effective agency for the development and training of the young life of the church, making them potent factors for good in the service of Christ.

We note with pleasure the fact that the Epworth Era is now on a self-supporting basis, and urge that we give it our hearty support by circulating it among the members of the league and by subscribing for it ourselves. We urge that prompt attention be given to the payment of the ten-cent assessment for the support of the work at the central office.

We call attention to the action of the General Board in placing the missionary work of the league on an equal footing with the other departments, by providing for the election of a vice-president to have charge of this work. We would urge that this missionary department, together

with a mission study class, be organized in every league in the Conference.

We desire to commend the "Institute Series" and the Bible Study provided by Dr. Du Bose, and request that due attention be given to the formation of Reading Circles, that our young people may become better equipped and thoroughly furnished for the great work of living and exemplifying the Christ life.

W. L. WHISNANT, President.
G. L. TAYLOR.

REPORT OF BOARD OF EDUCATION.

We have received $80.15 upon the assessments, and have apportioned it as follows:

Paine and Lane	$40.00
General Board	40.15

The General Board has assessed our Conference $88.00. It has been apportioned as follows:

Los Angeles District	$63.00
Arizona District	25.00

We recommend a continuation of the use of the surplus remaining in the treasury of this Board as a Fund to be loaned to needy students preparing for the Ministry.

We call the attention of the undergraduates to the Correspondence School connected with Vanderbilt University, and urge them to take advantage of its excellent instruction.

GUYTON FISHER,
RALPH FIELDS,
JAS. E. CRUTCHFIELD.

GENERAL STATE OF THE CHURCH.

We note with gratitude the evidences of hopefulness on the part of our preachers and people. This is as it should be. Our beloved Church is true to her Lord in her teachings. Her doctrines are based on His eternal truth, and her messengers should go forth with confidence and gladness to declare them; and her sons and daughters should count it all joy to be possessors of the privileges and op-

portunities she affords. Hopefulness should mark the life and work of every preacher of our Church. We should know her doctrines and teach them, never being neglectful of any of them, and certainly never substituting our own inferior philosophies for her eternal truths.

Our Churches in this Conference are standing for the discipline as regards worldly amusements. The customs of the country are strongly against us, but our people, as a rule, are loyal, and we do hereby call upon them to maintain strict loyalty in this regard.

We would again call attention to our great need of a more lively faith in the personality and the gifts of the Holy Ghost. We pastors are ever conscious of this need on the part of the leaders of our congregations. The Church is to save souls. During the past year, the results of our work in this regard have been small. We would warn our brethren against the folly of concluding that such results must be brought about in some certain way, or not at all. We greatly desire and earnestly pray for sweeping revivals—for such mighty evidences of God's power in the conviction and salvation of men that all may know that He is mighty to save. But, we would also hear Him in the still, small voice, and we would go out among men to speak God's message wherever we can find a soul to listen. We would pray that, in any manner, men may be saved.

There is not a very general observance of family worship. This custom should be kept up in every family of our Churches. We do most earnestly and lovingly and prayerfully urge our people to establish family altars. Our children, as well as we ourselves, need the influence of this gracious custom. The result of its practice on the characters of people is beyond computation. Let our preachers urge the performance of this great duty upon the heads of our families.

E. P. RYLAND, Chairman.

BIBLE CAUSE.

Twenty-four charges in the Conference made contributions to the Bible Cause, amounting to $120.04. We regret to note a decrease of $54.04 from the contributions of last year. We urge our pastors to give due attention this year to this important factor of Christianity.

DISTRICT CONFERENCE JOURNALS.

The journals of both Districts were before us, and were examined. We find them to be in good order and form, and neatly kept.

R. E. WRIGHT.

CONFERENCE RELATIONS.

We have had under consideration the names of T. L. Duke, C. C. Wright and L. J. Hedgpeth, who were referred to us for a continuation of the superannuate relation, and J. W. Allen, who was also referred for the superannuate relation. We recommend that this relation be granted to each of these brethren. The names of R. R. Raymond, S. P. Wright and C. L. Perry, were referred to us for the supernumerary relation. We recommend that this relation be granted these brethren.

BOOKS AND PERIODICALS.

That the founder of Methodism considered this department of our work as of great importance is shown in the variety of subjects upon which he wrote, the numerous books and tracts which he printed and distributed, and the manner in which he urged his preachers to circulate wholesome literature among the people. We shall be wise in following him in sending forth a stream of healing in good books, tracts and papers. The evil one has taken advantage of this reading age, and has poured pollution into our midst to ruin our youth for two worlds. The vile book fills the mind with thoughts which drive out God,—how poor that soul! The influence of the sensational paper is to place a greater price upon sensation than upon sense. Spurious publications, under deceptive titles, are finding their way into the hands of our people and unsettling them.

This fearful evil must be counteracted by the substitution of Christian literature, an abundance of which is

found in our excellent periodicals, to which we call your attention.

The **Methodist Quarterly Review** is so full of the best mental and soul pabulum that no member of the Conference can afford to do without it, and the thoughtful layman will also subscribe for it.

Your committee pleads for a wider circulation of the **Christian Advocate,** our central organ, published at Nashville, Tennessee. It is to our shame that it barely pays its way.

Our unqualified endorsement is given to Dr. W. E. Vaughan, as editor of our own **Pacific Methodist Advocate.** We urge every pastor to co-operate with him, making it our business, as he makes it his, to build up the paper by being more diligent in securing subscribers, and by furnishing at least four field notes a year.

Let us show our appreciation of the increase of $13,918.16 in volume of business of our Publishing House during the past year, by keeping our people informed as to the publications and urging their patronage to the same.

REPORT ON TEMPERANCE.

Be it resolved, that we count the liquor traffic one of the chief evils in our land, and that we will use our constant influence for its overthrow, and to that end we will refuse to vote for any man of any party whom we know to be in favor of the liquor interests. We further declare it as our intention to use our influence for the passage of wise laws for the overthrow of this great enemy, and for the election of such men to the supervisorial and other offices in our respective counties as we believe will maintain the laws concerning the liquor traffic.

RESOLUTIONS—BISHOP MORRISON.

Whereas, Bishop H. C. Morrison, in his second official visit to us, has, by a deep interest in our work; the painstaking and gracious manner in which he has presided; the brotherly treatment accorded to all; the splendid and timely addresses and effective gospel sermons, shown himself a man whose visits have advanced the cause of our Zion on this coast; therefore,

Resolved, That, if in the Providence of God, the College of Bishops assign him to this field for another year, where he may see a consummation of new enterprises inaugurated by him, we shall hail his coming with delight.

O. A. THROWER,

R. R. RAYMOND.

Whereas, The transfer of Rev. J. M. Weems to the Louisiana Conference has just been announced; therefore, be it

Resolved, That we express our appreciation of him because of his most excellent spirit, his ability as a preacher, and his efficiency as a worker. And be it further

Resolved, That we part with him with regret, and bid him God-speed in the new field to which he is assigned.

W. B. SHARBROUGH,
R. R. RAYMOND,
GEO. S. CLARK.

Whereas, our brother, J. M. Weems is detained from the sessions of our Conference, by the death of his father, who, at a ripe old age, has been called home; therefore, be it

Resolved, That we assure Brother Weems of our sympathy with him in his bereavement, and authorize our secretary to convey to our brother this, our expression of sympathy.

M. B. SHARBROUGH.

Be it hereby resolved, that we have never enjoyed ourselves more at any conference, nor have we ever been more kindly entertained than at Downey, 1904.

OFFICIAL MINUTES.

Woman's Foreign Missionary Society, Los Angeles Conference, Trinity Church, Los Angeles, California, May 25-27, 1904.

The Twentieth Annual Meeting of our Missionary Society came to order at the fall of the gavel in the hand of our President, Mrs. Anna S. Wolfskill, Wednesday morning, at 9:30 o'clock, May 25th. As we sang the hymn, "Holy, Holy, Holy, Lord God Almighty," a feeling of reverence and worship came upon us, and Rev. Geo. S. Clark voiced our petitions for divine guidance, and our gratitude for blessings past and present. Our president led the devotions, read and commented on the latter portion of the twenty-fifth chapter of Matthew, presenting to us most beautifully a picture of the last judgment, and as she plead for better work a desire filled our hearts to give the service that in that "great day" will call forth from our Master that blessed reward: Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto Me." All of the officers with one exception were present at roll call, and that one was unavoidably detained.

The usual committees were appointed by the chair. After the usual preliminaries such as organization, fixing the bar, etc., the Conference was ready for business. The reports of corresponding secretary and treasurer were encouraging and peans of praise were in our hearts and on our lips when we knew that during the year the collections throughout the connection were almost $22,000 in advance of any previous year.

Mrs. Buchwalter and Mrs. Withey, returned missionaries from Africa, were introduced, and each gave interesting experiences as laborers in that far away field. Rev. W. E. Vaughan, Editor of Pacific Methodist Advocate, brought loving greetings from our sisters of Pacific Conference, and urged us on his part to use the columns of the Advocate for reporting our work.

Wednesday afternoon the devotions were led by Mrs. C. B. Mosher. Humility was her theme, based on that wonderful second chapter of Philippians. Brother J. M. Weems and others gave helpful and timely thoughts.

A duett, "Not My Will, O Lord! but Thine, Be Done," was very sweetly rendered by Misses Metta and Maud Oyler. Many an earnest prayer went up that these fresh, young lives might be dedicated to the service of their King. Rev. Cox, of the City of Mexico, was introduced and told of the gratifying results of work among these benighted ones, made possible only by the contributions of the women in the home land. Wednesday evening a few words of welcome were given by our pastor, Brother Ryland, and the

speaker of the evening, Senor Carlo M. Ferreri, of Rome, Italy, gave touching incidents of the power of the Gospel to save ignorant and priest-blinded Italians, no less than other nationalities.

Thursday morning Brother Wade Hamilton led the devotional half hour, using the fifteenth chapter of John as the foundation of his remarks. Sweet and hallowed was this precious half hour, rich in blessings to us all. Our Presiding Elder, Brother Thrower, in strong and helpful words, assured us of his readiness to assist in any way in his power.

The Memorial hour will long be remembered, conducted by Mrs. B. B. Henshey. As the names of our sisters who had during the year been called up higher were spoken, Mrs. Louisiana Long, Mrs. Mary C. James, and Mrs. Lizzie Pirtle Finley, each one in her own peculiar setting, even though the tears came unbidden and our hearts ached with pain, yet we rejoiced that they had lived among us and we had known them for a while in the flesh and will meet them again in that land of endless joy.

The talk by Mrs. J. F. Corbin, for many years a missionary in Mexico, brought tears of gratitude from many eyes, and inward resolutions to renewed energy and zeal in the cause of Missions. We were forcefully reminded of the certainty of death, even amidst the activities of life, when the word came of the passing away while we were in session of Mrs. Nita Harper, one whom we had known and loved. A resolution expressing our sorrow was adopted by a rising vote, and a letter of sympathy ordered sent to the bereaved family.

Friday evening Dr. Stuntz, a missionary in Manila, delivered a fine address. The reports of auxiliaries showed earnest, faithful work, and the entire Conference was characterized by a deep spirituality. The pledges for Bible women and scholarships were fully met and the support of an additional scholarship and Bible woman assumed. The competitive drill is a fixture in our Conference, and we only hope that every auxiliary will enter the contest another year. Mrs. S. B. Elliott of Trinity, and Mrs. E. A. Clardy of Santa Ana were the only contestants this year. Both acquitted themselves with the "highest honors," and both won the prize. Because of other duties pressing upon our faithful and efficient recording secretary, Mrs. McCausland, she could not accept the office again. Mrs. W. T. Field, who for several years had served us acceptably, was elected. Mrs. P. L. Mason was elected auditor, and Mrs. C. B. Mosher editor of our column in Pacific Methodist Advocate.

With these exceptions the official roster remains the same.

The Committee on Resolutions voiced the Conference in thanks to the ladies of the churches of Los Angeles for the generous hospitality and kindly attentions, to the speakers and singers who contributed so much to the program, and to all of the ministerial brethern who graced our Conference with their presence and helped us by words and prayers.

The treasurer's report from March 1903 to March 1904, showed the receipts $819.85. Total receipts since organization, $7,048.71. This seems a small amount when put side by side with large conferences, but it represents fidelity, and in many instances much sacrifice. Our Conference supports five Bible women and two scholarships, and has seventeen life members.

MRS. ANNA S. WOLFSKILL, Pres.
MRS. C. L. McCAUSLAND, Rec. Sec.

REPORTS OF COMMITTEES.

Committee on Publication urged the auxiliaries to send, at least once a quarter, notes to the editor of our column in Pacific Methodist Advocate.

MRS. YOUNGMAN, Chairman.

Extension of work that every effort be put forth to increase interest in our work by personal touch, kindly invitations, and the distribution of missionary literature.

MRS. C. B. MOSHER, Chairman.

REPORT OF COMMITTEE ON FINANCE.

Your committee recommends the following:

1. That with the growth of our Expense Fund our Con. Cor. Sec. or President, may see her way clear to visit languishing auxiliaries or places where new ones may be organized.

2. That pledges for printing of minutes be made at this meeting, the same to be forwarded to treasurer with September remittance.

3. That Treasurers of Auxs. be urged to have their quarterly remittance in the hands of the Conference Treas. not later than first day of March, June, September and December.

MRS. JOSEPH HAMILTON, Chairman.
